

Our annual Thanksgiving Meal Drive offers you or your organization a wonderful opportunity to provide a Thanksgiving dinner for a family in need. Businesses, schools, religious groups, and individuals have generously supported this effort year after year.

- Place the following Thanksgiving Meal items in a reusable grocery bag and deliver it to our Columbus or Toledo office. Also, please hand the gift card to the ASAS staff member instead of placing it in the bag. For larger donations, arrangements can be made for pick-up.
